You all are amazing! Every single one of you. With your help through gifts to the Luverne Area Community Foundation we have done some remarkable things in our communities.

- Gifted out $985,243 across all funds back into the community
- Added 16 new funds to build stronger community
- Built 1.95 miles of new hard surface bike path
- Constructed a new food shelf building
- Transformed programing for seniors with the new Generations building
- Launched our first official “Max Your Community” giving campaign that brought in $100,000 for community give back

Wow! What a year, what generosity and what impact we have created together. We are so glad to have the relationship that we have with you. When we work together for the betterment of our neighbors and friends we are positioned to build and support a community that thrives.

Enjoy paging through all the goodness.
Thank you for your relationship with us.
Thank you for introducing someone new to community giving.

Thank you.

Guidelines for Luverne Chapter DI PEO Scholarship Program

Scholarships are open to graduating high school senior girls or a returning female student currently accepted or attending an accredited post-secondary school pursing a certificate or degree. Scholarship monies will be paid directly to the educational institution in the student's name.

Student applicants must meet the following guidelines:

1. Plan to attend an accredited post-secondary school pursing a certificate or degree
2. Must have a Grade Point Average (GPA) of 3.0 or better on a 4.0 scale.
3. Must have acquired acceptance to, or be enrolled at the college of his/her choice and must be an enrolled full-time student for the upcoming fall semester.

*All applicants must be sponsored or recommended by a Luverne Chapter DI member. If needed the school counselor will have a contact list.

All applications and supporting documents must be received no later than April 15, 2019.

The Community Grant Fund is our greatest need and makes the biggest impact. These dollars are unrestricted and give the LACF the most flexibility to meet the needs in the communities in which we live. Be part of this great list of donors.
In 2019 Gene and Barb Ashby came to the Luverne Area Community Foundation with a dream. To build an off-road hard surface bike path in memory of their son Chris who was killed in a car accident at age 16.

With the cooperation of land owners, easements were obtained and the dream began. It took 18 months to complete but the 1.95 miles of Christopher Martin Ashby Memorial Trail became a reality.

This section of trail hooks up to Phase 2 of the Luverne Loop. You can access the trail by crossing over the Rock River bridge and coasting through the city park. From there you will follow the river to the railroad tracks and wind through the trees of River Road Campground, up a steep ¼ mile and turn north to follow the railroad tracks behind the Rock County Sportsmans Club.

This addition gives the Luverne Community 15.45 miles of hard surface trail. The Ashbys hope that someday this trail can continue and loop itself back into Luverne.

Rebirth of the Luverne Senior Citizen Center
Rock County Food Shelf’s mission is to serve the residents of Rock County who may struggle with food insecurity.

With food insecurity growing higher, the need for more space for the local food shelf became a priority. The city of Luverne purchased a building that met all the needs the Rock County Food Shelf had giving four times the space of their current location. The new space offers an area for unloading bulk food orders, a 24 hour space for local community drop offs, space to sort, space for cold storage and better privacy for those who shop there.

While the city provided the bricks and mortar, the food shelf and its supporters rallied to reconstruct the inside per the demands of the organization needs. A goal to raise $225,000 was met and construction began.

With the help of local youth and leaders the food shelf was moved from its location in the Methodist Church to 208 W Maple St, and opened for business in June of 2021.
WHAT’S A DAF?

A Donor-Advised Fund, or DAF, is a charitable giving vehicle sponsored by the LACF that allows you to make a contribution to LACF and be eligible for an immediate tax deduction. But because your account is a donor-advised fund, you advise the organization on how to grant the money out to your favorite charities over time. We have options for your DAF to be a cash or growth fund.

Donor advises how to distribute funds
When life takes a difficult turn sometimes the unexpected pulls you through and a desire to do something bigger takes over. This is the story of Denise (Green) Sprecher and her children Wyatt and McKenzie. In 2007 they lost their husband/father Douglas Sprecher. In the days and months that followed many hardships and tough decisions were faced by Denise and her kids. Denise shares that more than once a dark situation became brighter because someone unknowingly stepped in to help and the family could move forward little bits at a time. These acts of kindness got this family back on their feet.

Years after starting over, a desire to do something bigger began to fiercely burn in Denise. “It was a huge uphill battle to get where we are today. If it weren’t for some family and friends it would have been worse.” For the Love of Douglas – The Green/Sprecher Donor Advised Fund was created for the purpose of giving back, a passion that Denise holds close.

Denise came to the Luverne Area Community Foundation on the recommendation of her lawyer after sharing that she wanted to start some kind of give back foundation. It has been a privilege to help Denise, Wyatt and McKenzie accomplish this goal of doing something for others for the love of their Douglas. “It was a breeze. Emily was wonderful and helped talk us through how we could accomplish what we wanted to do!”

Denise and her kids now have a “charitable savings account” held at the Luverne Area Community Foundation called a Donor Advised Fund. Money is put into the foundation for the purpose of “For the Love of Douglas” and Denise and her kids get to “Pay it Forward” to charities of their choice.

“Our whole reason for doing this is because of other people helping us when we needed help.”

– Denise Sprecher

This award recognizes an outstanding individual or family with a proven record of exceptional financial generosity and volunteer leadership to one or more Rock County nonprofit organizations who has: 1) demonstrated extraordinary civic and charitable responsibility, and 2) whose generosity inspires others to philanthropic action.

2021 SPIRIT OF PHILANTHROPY

GEORGE AND CORRINE BONNEMA

They have a strong belief that God entrusts every person with time, talents and ability. These things bring opportunity to gain wealth, not just for personal wants but also to bless others.

The Bonnemas feel they have a responsibility to make a contribution to their community, society and not just be consumers. They share “The self-centered culture we live in today where the focus is “what’s in it for me?” is a dead end without contentment. On the flip side, when you invest in your community for the benefit of others, every day is an opportunity and adventure.”

The opportunity to volunteer in all the venues we serve gives us a great sense of accomplishment and purpose. We appreciate our home, our property, our community, and the people who make our community what it is. We consider it a privilege to be able to give back.”

They hope they can inspire others by carrying on the legacy as community members as others did before them through leadership and generosity. “We see possibilities as invitations. We encourage retirees to find a place to become involved because the opportunities are there if you want to find them. If anyone wants to find purpose and joy in life, we encourage you to invest yourself for the benefit of others.”
BMAT is a nonprofit organization keeping the residents of Rock County involved in fine arts through funding by ticket sales, concessions, theatre rental, charitable gifts from supporters of them and the city of Luverne. Two part time employees assist with booking events and managing the box office. The palace is run mostly by volunteers. This board is a working board, that handles the marketing, to working the events including assisting with loading in bands, selling tickets, concessions and cleaning. BMATs leadership focus is to work hard to bring fine arts to our small rural community. A variety of theatrical genres and movies and a quality experience is what they aim to do every weekend.

• Donors who supported this campaign could choose the community fund of their choice
• Community Funds outside of Luverne were newly established at LACF
• Any community that can raise $5,000 in community support funds will be matched $5,000 by LACF to start a $10,000 endowment for community directed grant making
• The match is open through 2025
