

THE LHS 2184 CAMPAIGN

In 2017, voters in Luverne School District 2184 overwhelmingly supported a historic \$31 million school renovation and expansion project. That exciting project will be completed in 2021.

The Luverne Education Legacy Fund (LELF), formerly the Luverne School Foundation, is announcing a new opportunity for Luverne High School alumni and supporters to enhance this project and demonstrate their pride for their school through the **LHS 2184 Campaign**.

The **LHS 2184 Campaign** will provide resources over and above taxpayer dollars to ensure this once-in-a-lifetime project will be a remarkable source of pride for Luverne students, community and alumni!

The **LHS 2184 Campaign** will also greatly strengthen LELF's overall efforts to support the following strategic areas at Luverne Public Schools:

***Academic** initiatives that build on Luverne's strong reputation for academic excellence and student success.

*Cardinal **activities** will be boosted to help our student athletes successfully learn, lead, compete and represent Luverne at local, state and national levels.

***Fine Arts** projects and enhancements to strengthen our school's strong tradition in music, theater, speech, and other programs.

***Campus beautification** projects that will welcome students, alumni and guests and exhibit our Cardinal pride for generations to come.

***Alumni recognition** opportunities to help connect and celebrate LHS alumni and history through current and new projects and programs.

Luverne alumni, supporters and businesses are invited to be a part of LHS history by committing gifts of \$2,184 (\$61 per month) or more over three years. Gift levels of \$2,184 or more will be forever recognized in a display at the school.

The **LHS 2184 campaign** officially kicked off on November 1. To learn more about the campaign or to make your commitment, visit luverneeducationlegacyfund.org or contact LELF President Cory Bloemendaal (LHS '89) at 507-227-2087 or coryb@buffaloridgeins.com or Luverne Area Community Foundation Executive Director Emily (Bowron) Crabtree (LHS '90) at 507-227-6841 or emily@luvacf.org.

LELF is excited to offer this opportunity to partner with alumni and supporters of Luverne Schools to enhance this amazing project and display our Cardinal pride for years to come!
