Sometimes things need a name change

There are two funds in which members of any Rock County community can apply for competitive grants. This year we decided the General Fund sounded too general, so we gave it a better name. When you give to the Community Grant Fund we secure those dollars for the applicants and their projects looking for funds through the grant application process!

LACF’s number one priority is to increase the Community Fund. The Community Grant Fund is still our fund of greatest need. These dollars are unrestricted and give the LACF the most flexibility to meet the needs in the communities in which we live.

Total Lifetime Giving to the Community Fund will continue to be acknowledged in the Annual Report. Gifts given in the Community Fund since the Foundation’s inception will be cumulatively calculated and acknowledged.
